

# My prayers

by Bastiaan Oostendorp (10 dec2014)

If there is need for change.

If life doesn't give happiness anymore.

If there shortage and disaster/

May our prayers rise to the

Allmighty.

If we have wishes but don't know

how to fullfill them.

Or don't know if they are good.

Is there life with limitations

Allmighty,

Hear our prayers

Allmighty,

What we say to you.

aloud, whispering or still.

May you hear it.

Allmighty,  
Where we need your help,  
Where we ask for your attention.  
May you hear it and come to help us.  
May you give our prayers color.

Allmighty,  
according to traditions,  
We can find peace, happiness and hope.

Allmighty,  
Grant us your mercy.  
Grant us your peace.  
Grant us your protection.

Allmighty,  
If we do evil,  
Give us a border  
we can't pass.

Allmighty,  
If we do things which are useless.  
Grant us your mercy,  
To let life be usefull.

Allmighty,  
Are your intentions good.  
As the traditions says us.

Allmighty,  
Learn us your way.  
And place our footsteps on they right way.

Allmighty.  
Is there life without happiness.  
Grant us your prosperity of happiness for us and others.

Allmighty  
If we are in evil wheather,  
Judge evil,  
Judge everyone.

Allmighty,  
If there is no life anymore,  
Let there be life again.

Allmighty,  
Judge our lives,  
Judge our souls.

Allmighty,  
Grant us your influence.  
In our life,  
In our civilisation.

Allmighty,  
Grant us your help.

Allmighty,  
In your light I want to live.

Allmighty,  
Your servant I want to be.

Allmighty,

May i be a citizen in your kingdom.

Allmighty,

May i be an instrument of you.

Allmighty,

I want to honor you with my life.

Allmighty,

I ask you,

Please save the damned ones.

Please save the lost ones.

save those who by mistake belong to evil forces.

save those ones who can do no good anymore.

Open the lives that do not know you or doesn't want to know you.
