

Prayers of nature
Gaia

Mother Earth, named as Gaia the conscious core of the planet we live on.

Mother Earth, Gaia, your Radiation gives every inhabitant food, water and shelter.

Mother Earth, Gaia, Gifted by you is every being, with a body, with brains and a purpose

Mother Earth;
Grant us thy light of good health.
Grant us thy source of food in abundance.
Grant us shelter for weather and need.

Mother Earth;
Your destiny is giving each being a place
on your planet.

Mother Earth;
Teach us to live in the order of the universe.
Teach us to do no harm.
Teach us the source of life.

Mother Earth;
May the gods give us knowledge,
of their existence.

Mother Gaia,
Who taught the Buddha
to be enlightened and protected
against demons.

Mother Earth,
Teach us the good way of
a life with happiness and fruits of goodness

Earth and Sun,
May the energy of life,
grant us happiness.
grant us purpose.
Learn us the name of gods.
Learn us to do well to all our
fellow beings.
